COACH'S CORNER . . . by Cliff Kibbe

The coaching staff felt that Chicopee would be the class of the league. We had hoped that, if the spirit and desire were there that victory would be ours. The spirit was there, but the Pacers proved why they were AA champs last year. They seemed even stronger this year with 15 starters back from last year. Our ball club played them nearly even in the first half but it takes two halves to win the ball game.

Probably the key to their vic-

viated these problems.

On the plus side of the ledger was the passing of Don Progul-ske. Don threw the ball extremely well for his first star; both Scott Macey and Dave LeGrand looked good as receivers. The pass protection was generally good, especially in the first half. We felt that Don Young, Nick Longhi, Bob Morin and Chip Shearer did good jobs blocking and Chip Kistner, Steve Nooney and Chip Shearer were strong on defense.

tory was our inability to mount any ground game and to contain their Ron Kerriga who is one great football player. This must be straightened out if we are to have a successful season. The game also proved costly to us as we lost for at least two weeks, line backer Dave Quintal with several bruised ribs.

Our pass rush needs more work, plus our punt protection and punt coverage was poor at times. We did not cover kick-offs with authority. All these things add up and only hard work and dedication can alle-

Frank Santinello looks like he will be a good one. He punted all afternoon and did a fine job. We must now put Chicopee out of our minds and get ready for Greenfield. They lost their opener to Holyoke, so they must put it all back together as we must. This week will show who can bounce back with their heads up. We hope and will try for number one up there. The back of the week was quarterback Don Progulske. Chip Shearer edged out Don Young for his two way performance to make lineman of the week.

J.F.K. Council Meeting Tonight

The President Kennedy Council No. 5585 Knights of Columbus will meet tonight at 8 in the Council home on South St., Agawam.

Bouchard Begins Junior Year At USAF Academy

U. S. AIR FORCE ACADEMY, Colo. — Cadet Daniel F. Bouchard, son of Mr. and Mrs. Louis F. Bouchard, 42 Mountain View St., Agawam, is among the 740 cadets who have entered their junior year at the U. S. Air Force Academy.

As he began his third year at the Academy, Cadet Bouchard was named to the Superintendent's List for his outstanding achievement in both academics and military performance. He will be granted special privileges and wear a silver star and wreath insignia recognizing the honor accorded him by the Academy superintendent.

Cadet Bouchard will serve during the fall term as a flight sergeant with the rank of cadet

CADET DANIEL BOUCHARD

master sergeant. He was selected for the position because of his demonstrated leadership abilities and effectiveness ratings.

During the past summer, the cadet served as an instructor in a rigorous basic training course for members of the Academy's incoming freshman class. The training prepares basic cadets for entry into the cadet wing.

He also completed three weeks of special duty at Charleston AFB, S. C., in Operation "Third Lieutenant," a program which

Jr. Miss Club Car Wash Project Sunday

The Agawam Junior Women's Club newly formed youth group, The J.M.C.'s (Junior Miss Club) will hold a car wash at the Zayre parking lot on Springfield St., in Agawam, in Sunday, Oct. 5 from 11 a.m. through 3 p.m.

This will be the first project for the teenagers who have planned a very active schedule for their novice year. The funds raised from the car wash will finance the first of their charitable works which will be for patients in the Munson Hospital.

The J.M.C.'s under the direction of Mrs. Clyde A. Spaeth, will continue to be active throughout the coming year in various community projects.

Victor H. Brinn To Run For Planning Board Post

Victor H. Brinn, 379 River Rd., Agawam, announced today that he will seek approval of Agawam voters to fill the opening as member of Planning Board.

A former Town Meeting Member, Mr. Brinn for many years

has been active as a financial and construction consultant, real estate developer and broker, appraiser, notary public and property manager.

In addition he has served with or been a member of Springfield Real Estate Board, Greater Springfield Home Builder and National Home Builders Association, Sales Manager for K.V. Homes, Inc., Sales Manager for Ciolek Construction Co., Inc., General Manager for the late George Campbell.

He also served as Fee Appraiser for Federal Housing Administration. At present Mr. Brinn is Property Manager for Mulberry House and Gateway Village of Springfield.

Mr. and Mrs. Brinn have lived for 16 years in Agawam with their three children, another son, Richard, is married and lives in Wilbraham.

Agawam Women's Club Style Show & Card Party Oct. 7

Agawam Women's Club will present a Style Show and Card Party, Tuesday, Oct. 7, at 7:30 in Agawam Congregational Church Hall. Fashions by Edna Beger will be featured with commentary by television personality Kitty Broman.

The event, sponsored by the club's Service Committees, will include refreshments and door prizes. Proceeds will benefit the annual scholarship fund.

Tickets may be obtained from the following committee members: Mrs. Ernest Bouley, Chairman; Mrs. Claude Ouellette, Mrs. Charles Mortenson, Mrs. Mary Knapik or at the door.

Community Grange Program Tuesday

Community Grange will begin its fall program on Tuesday evening, Oct. 7th at 8 o'clock in the Grange home on North West St., Feeding Hills. The newly installed officers will assume their duties for the Grange year beginning in October.

During the lecturer's hour Miss Lillian McDonald, master, will present a ritualistic program. This is for the instruction and information of both officers and members.

Lecturer Elise Bradway will give a report on the New England Grange's Lecturer's Conference held at the University of Massachusetts to which she was a delegate from the local Grange.

A social hour with refreshments will follow the close of the meeting.

Now We Understand

I would like at the outset to congratulate and thank in behalf of the Town's Administration, every individual involved on the combined Municipal-School Building Committee. There are too few of us who would do as thorough and enthusiastic a job as they did. There are many who, faced with the obstacles which they faced, would have "thrown in the sponge" long ago.

Every town is confronted with major problems. This is normal and we must accept them. No sooner do we solve one, we become encumbered with another. The involvements of the School and Municipal Building Housing is especially profound. I trust that our readers will be thoughtful and even critical of that which I present and that this presentation will help each of you to better understand my interpretation and eventual solution. Large sums of money are involved as well as the social, political, and educational statue of a generation.

I, for one, have deep concern

and as an administrator in a democracy I have remained absolutely neutral. I have done this so that any committee, some containing members whom I have helped to choose, would in no way be persuaded by Administration. This was the only fair thing to do and I can report that on no occasion have I attempted too direct an opinion to any member of my committee.

The time has come to take a

AGAWAM LODGE

Loyal Order of Moose

No. 1935

THANKS IS ALL
 Agawam Lodge #1935 was host to the members of the Mohawk Legion #198, Sunday, Sept. 28th. Gov. Dumond wishes to thank all the members, their wives and friends for making this affair such a success. The Mohawk Legion includes all the Moose Lodges in Western Mass. and the Legion is the 2nd degree of the Moose, known as the degree of Serves. Members were present from Keene, N.H., Greenfield, Westfield, Chicopee Falls and Northampton.

Sixteen new members were enrolled in the higher degree with the ritual by Mohawk Ritual Staff under the direction of Past North Moose Harold M. Lacey of Greenfield Lodge #997.

The Ladies of Agawam Lodge served a smorgasbord to more than 250 Legionnaires and their ladies followed by dancing and a professional seven-act floor show. The next meeting of this group

PENNSYLVANIA—JAMES J. DAVIS MEMORIAL BLDG.

Visitors to Mooseheart, the famed home and school for children of deceased members owned and operated by the Loyal Order of Moose near Aurora, Ill., are often surprised to see a modern brick building which resembles Independence Hall in Philadelphia.

The building is the Pennsylvania — James J. Davis Memorial Building and it is patterned after Independence Hall. It was erected as a memorial to the late United States Senator James J. Davis of Pennsylvania, founder of Mooseheart.

The cost of the building was borne by the lodges, chapters, legions and individual members of the Moose in the Commonwealth of Pennsylvania.

On hand to officially dedicate the building at the opening of the 70th international Moose convention on Aug. 17th, were the late David Lawrence, former Gov. of the Commonwealth of Pennsylvania and a member of the Moose Foundation Board, and J. Jack Stoehr, PDG and Regional Director, now retired.

The building provides living quarters for 24 boys of high school age. In addition, the archives of the Loyal Order of Moose

will be at Northampton Lodge #614 Sunday, Nov. 16th. Winner of the "Wheelbarrow of Goodies" was Joseph Rigali, a Pilgrim Brother.

DON'T FORGET

Don't forget our Friday and Saturday nights at the Lodge on Bridge St. Cook Perry enjoys the hustle and bustle in the kitchen and we love the crowd that enjoys good food . . . Save your wives on Friday nights — take her and the family to eat at the Lodge.

Food will be served on the premises and everyone is welcome. See you there? — M.F.

are located in a large room in the basement.

A kitchen, dining area and huge L-shaped living room are located on the first floor. Eight bedrooms and lavatory are on the second floor. Three boys sleep in each bedroom and each youth has his own bed, night stand and wardrobe which furnishes hanger, drawer and storage space. A large recreation room is in the basement.

Visitors to the building are greeted by a portrait of the late Senator Davis hanging in the foyer. The portrait was painted while he was seated at the desk he used as Secretary of Labor

in the Presidential Cabinets of Harding, Coolidge and Hoover and hung in the dining room of the Senator's Washington home until he died.

A stained glass window depicting the nine o'clock ceremony at Mooseheart is located in the cupola of the building and is illuminated at night.

SOCIAL SECURITY Questions and Answers

Q: I had a severe heart attack last year and am unable to work. I never worked under Social Security. I am 48 years of age. Can I qualify for benefits now on my husband's account, he died in June 1965?

A: No, but current regulations provide benefits for disabled widows when they reach age 50. You should file for benefits a few months before you reach age 50.

Q: I have been a widow since September 1958. We had no children. I had a severe heart attack in 1967 and have been unable to work since then. Is there any benefits for me as a disabled widow?

A: No. Benefits for disabled widows are payable only if the widow became totally disabled within 7 years of her husband's death.

Q: My husband died in 1965. I have no children. I am 58 years of age. When can I qualify for benefits?

A: You may qualify for reduced benefits at age 60. However, you can qualify immediately if you are now totally disabled.

Q: I have just moved to a new address. How should I report this to the social security people?

A: You should either telephone, write directly to, or visit your local social security office. You can even use the back of social security check envelope to make this report.

Q: What are the changes that

I should report to the local social security office?

A: It's quite a long list including your change of address, stopping or starting work, improvement recovery from a disabling condition, marriage, remarriage, divorce, death of a beneficiary, etc. The best rule is to report any and every change in your status to the social security people.

Q: We previously reported events affecting our receipt of checks to the central office. Now you tell us to contact our local social security office. Why the change?

A: The local social security office is now equipped to rapidly send your change via its new high speed transmission circuits to the central office. This means a saving of time over the older method.

Q: When I report a change of status, need I furnish the social security office the number of the account on which my benefits are being paid?

A: Yes, if you visit the office, be sure to take the number with you. If you write or telephone the office, be sure that you state the claim number correctly. Accuracy is very important in reporting changes affecting your status.

Q: My father is getting social security monthly benefits since he's had a stroke. He is neither physically nor mentally capable of handling his benefits. Should I notify the social security people of this fact?

A: Yes, you are required to notify the social security people and arrangements will be made to name a representative payee for your father.

Dahdah for Selectman Says 'Talk Is Cheap'

An old but common saying is that talk is the cheapest commodity on the face of the earth. When talk is used to misrepresent, twist and distort, then talk is not only cheap but corrupting. And when speech, which is supposed to be used as a means of communicating thoughts, ideas and information, is used by a political candidate to attempt to take credit for public accomplishments which are not rightfully his but are actually those of his predecessors in office and the State's return of money to the town from the state sales tax, his statements then become an obstacle to the voting public's rights to truthful information.

When verbal bombast is used by a former official who is not now the incumbent in office to impress the voting public with what he claims he will accomplish, the question naturally arises as to why he failed to accomplish these objectives during his first and only tour of office. Was it because the voting public of the town of Agawam became aware of his gross deficiencies in performance which resulted in removal from office by over 1000 votes?

Dahdah believes that talk is cheap unless the talk is substantiated by performance. Dahdah gives full assurance to the voters of Agawam that performance in office as selectman is his creed plus fair, equitable consideration and treatment for all citizens of the town and not for a favored few.

"Taxation is a most important

function of local government. Its use is solely intended as a method of obtaining revenue to pay the cost of government. By cost of government I mean legitimate expenses incurred by the Town of Agawam after careful thought and consideration by the elected officials responsible for making sure that you, the town members, receive a full dollar's value for every dollar spent.

Taxes are necessary in order to have government and every sensible responsible member of society realizes this necessity. However, when the people who have been elected to positions of trust neglect to scrupulously investigate the true value to be received by the town members for every penny of tax money spent, then an ever increasing burden is placed on the taxpayer, which I believe is today reaching crushing proportions.

Therefore, in the interests of real economy, that is, getting true value for your hard earned tax money, I believe that it is a must for the Town of Agawam to elect public officials who are not motivated by desires for status or making personal business connections, but officials whose only motivation is truly the fundamental welfare of the voters. Consequently, I respectfully request you to vote for B. Edward Dahdah, a candidate who will always work in the best interests of the Town of Agawam."

After 3 years, the car that cost the least costs the most.

The official Used Car Guide is full of little surprises. To show you what we mean, we've pitted one 1966 Volkswagen against 7 popular 1966 compacts.*

Back when they were spanking new, the popular compacts sold for an average price of \$610 more than the Volkswagen.

You'd be amazed at how unpopular they've become in 3 years.

The same compacts now sell for an average of \$201 less than the Volkswagen.

Of course when you stop and think about it, this really isn't surprising at all.

How appealing is a car that looks 3 years old? Compared to one that never looks old?

Or a car that gets about 14 miles per gallon? Compared to one that gets about 26?

Or a car that takes lots of oil and water? Compared to one that takes a little oil and no water?

The official Used Car Guide is full of foregone conclusions.

SPORTSMEN'S CORNER

By BILL CHIBA

The deer herd in Vermont survived the previous harsh winter. The bowhunter who gets the first crack at the whitetail in Vermont should have a great year. However, from personal observation, I venture to predict that the bowman will have to look further than in the fields this season if he is to be successful. The reason for this prediction is food! There is plenty. The apple crop is tremendous, acorns in abundance and the beechnut mast crop is the heaviest in years. I have spent the last two weekends in the green mountain state and most of the time in the woods. The deer are to be found in the interior. I have only seen three deer in the fields in four days of observation. Yet, I have flushed many deer in the hard woods and tree surrounded orchards.

Again this year as in the past, Margaret and Moe Eaton, owners of Elmwood Farm in Fairlee, Vermont, will be host to a farm full of bowhunters opening weekend, which commences at 7 a.m. Oct. 11th. Some of the fellows were up to the farm when I was there and they too were reading signs, preparing themselves for the coming season. The most distressing sight is the increasing amount of posted land I encountered in my wanderings. The mine section of West Fairlee, which has been a good bet for the bowhunter in the past, is posted up tight this year. If you are planning to take in this particular location forget it. You will have to look elsewhere.

More and more landowners are posting their land and taking in hunters at their farms. For the cost of the board and rent (which is running from \$12 to \$20 per

day) the hunter has his own private hunting preserve to roam. It isn't such a bad idea, both for the landowner and the hunter.

A LOCAL WOODS OPERATOR in Kingfield, Maine, was driving up a road in Freeman Township when he came upon two black bears fighting. He stopped and watched for three or four minutes until they saw him and ran off into the woods. When the driver got to the scene, he found a male cub bear dead in the ditch. Apparently the male bear had killed the cub, and it's mother was trying to protect her young.

In New Hampshire comes a report of an oddity. Game Biologist, Harold Nevers, of the F&G Dept. tells of an unusual experience he had last Wednesday at midday. He was checking beaver in a pond in Lee, N.H. The pond was very quiet — no activity there. Suddenly a beaver splashed in the water. It swam up to within a few feet from him. Flip spotted ear tags that he had placed in that beaver's ears several years before when he was a student at the University of New Hampshire, making a study of beaver for the University which was doing research work under contract for the F&G at that time.

During Colonial Days, the state of Vermont was a haven for wild turkeys. Yet, deer were unheard of. The deer had to be imported into the state. Now the opposite prevails. Deer are over running the state, and the wild turkey is being re-introduced into the state by the F&G in hopes of starting a flock that will take hold and provide the hunter with a new game bird to outfox.

So far, four different broods of young turkeys have been established. Commissioner Kehoe is very optimistic about the project and hopes to see the day when he can set a season for hunting wild turkeys.

A stranger approached a farmer, produced his card and remarked, "I am a government inspector and I am entitled to inspect your farm."

Moments later the farmer heard screams from behind the barn. The inspector was being chased by the bull. Leaning over the fence as the madly-running inspector drew near, the farmer cried, "Show him your card, mister, show him your card!"

FIELD ETIQUETTE

CERTAIN BASIC SAFETY RULES ARE A MUST ANY TIME YOU HANDLE A GUN, BUT COURTESY IS IMPORTANT ALSO — ESPECIALLY WHEN HUNTING WITH TWO OR MORE PEOPLE. HERE ARE SOME TIPS FROM REMINGTON ARMS ON PROPER FIELD ETIQUETTE:

DON'T SHOOT AT TOO GREAT A DISTANCE...

"SKY BUSTING" IS A CARDINAL SIN EVEN WHEN HUNTING ALONE. CHANCE OF A CLEAN KILL IS REMOTE AND CRIPPLING A BIRD OR ANIMAL IS CONTRARY TO BOTH CONSERVATION AND GOOD SPORTSMANSHIP.

WHEN HUNTING WITH A DOG BELONGING TO A FRIEND, LET THE OWNER WORK HIM. EXTRA COMMANDS FROM YOU WILL ONLY CONFUSE THE ANIMAL AND ANNOY YOUR COMPANION.

ABOVE ALL... BE SURE YOU KNOW WHERE EVERY MEMBER OF YOUR PARTY IS AT ALL TIMES, AND POINT YOUR GUN ACCORDINGLY... SO THAT NO ONE IS IN THE LINE OF SHOT.

SOCIAL

SECURITY

Individuals nearing their 65th birthday, who are not now receiving Social Security or Railroad Retirement monthly benefits, should contact their local Social Security office, and file their claim for Medicare, during the 3 month period before they become 65, according to Mr. Murphy of the Social Security District Office.

Mr. Murphy stressed the fact that a person's work status has no effect on his entitlement to Medicare.

If a person files his claim during the 3 months before the month he becomes 65, he obtains full coverage at the earliest possible date. Failure to file before

the month a person reaches his 65th birthday will result in a temporary loss of coverage, and if enrollment is not accomplished by the third month after his 65th birthday, the individual will lose a part of his coverage until the following year. His next opportunity to elect full coverage will be January through March of that year. Mr. Murphy stated that a person who does not take advantage of the initial enrollment period must pay a higher premium when he does enroll.

A tightwad went into a gift shop to find an inexpensive birthday present for a friend, but he found everything very expensive — except for a vase which had been broken. He purchased it for practically nothing and asked the store to send it. He wanted the friend to think it had broken in transit.

A week later, he received a thank you note which read, "Many thanks for the vase. It was nice of you to wrap each piece separately."

HIDDEN HOT SPOT FISHING

Some of the best fishing holes in the world are almost hidden by all the water around them.

Most anglers fishing the big man-made lakes miss these hot spots because they spend most of their time fishing above the dam which forms the reservoir, while the best fishing is often not in the lake, but below it.

For there, in the deep pool at the foot of the dam, is where large numbers of fish tend to concentrate. The fishing authorities at Mercury outboards say that this is especially true of hydro-electric power dams. When the generating turbines are operating, the discharge of fresh water from the lake into the river below will cause fish to move upstream, coming right to the dam.

When the turbines are operating, the discharged water sets up odd currents and fish will move with these feeding on insects, crayfish and crippled fish which have come through the turbines.

Visiting anglers may have a difficult time trying to judge when these good fishing times occur, so there are a few things to keep in mind if you want to try these hidden hot spots.

Electrical appliances are heavily used at certain times of the day, therefore generating plants are going to operate in accordance with the demand. On hot days, in areas where there are many homes with air conditioners, the power load is greatest during the hottest part of the day, and the turbines will be operating at their peak during early afternoon and on into the night.

Darkness also brings an increase in the demand for electricity, and night fishing below the power dams is often excellent.

SQUARE DANCE

Peg and Bob Shoemaker

Now is the time for all you folks who have been promising yourselves that some day you'll give square dancing a whirl, to make good on those promises. The time is now!

The Agawam Promenaders are

bring their friends and neighbors to see what they've been talking about, but the guests will join hands to circle up for a few simple dances of their own.

Al Bessette of Walnut St., will be explaining the dances and running the party. In addition to being the Promenaders club caller Al has been busy making guest appearances at other clubs and conducting classes in Ludlow.

Actually anyone interested may attend without charge and Elmer and June Roosa will be serving up the refreshments. Flat shoes and sportwear is the recommended attire.

This is a busy time for the Promenaders who just Friday celebrated the 14th birthday of the club with a well attended pot luck supper and birthday party. And with his usual dexterity Dick Davis captured for

time improves efficiency. In the future, if necessary add a new wing, at the rear, to the Adm. Bldg. House in it all office directly connected with planning and construction; I.E. D.P.W. "Planning Board, Board of Appeals," and a room for all committee meetings.

Replace the Feeding Hills Library with a new one-story building and use it as the central library. Build a moderately sized branch library in place of the No. 1 Fire Station in No. Agawam.

Ask the School Committee to continue to cooperate with the Parks & Playgrounds committee so that school buildings can be used intensively for recreational purposes during non-school hours. Our town cannot afford to supply recreational areas for school children and the community at large on separate sites.

In short, I cannot understand how or why we should invest another \$35,000 to try to solve a problem which I feel we basically solved when we purchased land in Feeding Hills and payed \$25,500 for architectural fees to develop.

Sincerely,
GEORGE L. REYNOLDS.

stand. I do this without reluctance. Having listened to all the plans for solution and having weighed each carefully may we now discuss a solution. This solution must be predicated on several concepts. The prime concept is the fact that each of us, whoever he may be, is likely to become so deeply engrossed with his own plan and opinion that he cannot seem to understand the thoughts of another person, and becomes somewhat blinded. The basic concept of the overall problem is to supply an additional 900 school house seats for our students. This is an absolute first and no other comes close to it. Another concept is to attempt to relieve congestion in the Town Administration Building. Still another is to supply useful space for our libraries and recreational programs. To these we must add the concept that, in most cases, it is cheaper to add to a building than to convert it. It is cheaper to machinate than to add building space and manpower. Then I could conclude with the concept that Agawam can afford to do only so much and that our voters will do what they must with courage.

So, briefly, I propose: Build the 900 seat school in Feeding Hills; Revise the plans so that it would not exceed four (4) million dollars. Do not build the swimming pool on this site. We have already invested \$62,500 on this tract and we can start to build on passage by the Town Meeting. Use

posterity this shot of club presidents Anita and Tino Daville cutting the birthday cake, pictured above.

I've got to run — I'm shining my dancing shoes. Aren't you?

the present Junior High School for the 6th and 7th Grades (768 pupils) put the 8th and 9th Grades in the new school (838 pupils) keep the 10-11-12 Grades in the present high school (1135 pupils) add a swimming pool to the present high school constructed so that it can be shut off from the high school and be used by the community when school is not in session.

Removing the 6th grade from the elementary schools allows kindergarten space and provides improved educational experiences for the sixth grade. The above class combinations provides better age grouping than any other plan. If and when the school population demand grows either add 300 seats at the Feeding Hills School or provide a new science wing at the high school.

Pertaining to the Town Adm. Bldg., remove the D.P.W. yard to Shea's Field, and build a moderately priced equipment shed. We were advised on Sept. 26, 1969 that the State Welfare Office in the Adm. Bldg. would likely be "phased out" in one year. If not, ask them to relocate elsewhere. At present they are our tenants. Move the Selectmen's office to these vacated quarters. Provide heat and dehumidification to the Town Hall Basement to provide added space for the Police Department. Provide micro-film service for all town records there by recouping space that has been gradually taken over by filing cabinets. It would appear to be cheaper to provide this facility than to build new space for offices, and at the same

By Joseph Della-Giustina, Jr.

This week the Agawam High School Guidance Dept., will be extremely busy with career conferences. These conferences enable students to speak to directors of admissions from various colleges, who discuss their college and the career opportunities of the college. During the week three directors of admissions will be visiting the high school. The only requirement for any students wishing to speak to one of these directors is to get a pass from Mr. Skolnick the day before the scheduled conference.

The schedule will be: Thursday, Oct. 2, at 8 a.m., Miss Martha Minnik, Director of Admis-

Nicols and Marie Boulrice.

Mystery prize winners were George Pierce, Alma Racette, Wm. Lucerino. Ace prize winner for the ladies was Frances Homola and Les Newcomb for the men.

The following received high score awards: Ladies—1st Eva Lyman, 2nd Mildred Cole, 3rd Belle Smith, 4th Maude McMahon; Men—1st Peter Lacermark, 2nd Les Newcomb, 3rd George Pierce, 4th Gaston Allard.

The next card party will be held at the same place . . . day . . . time . . . see you there!

sions at Cardinal Cushing College in Brookline, Mass., will answer questions from interested girls. Also, on Thursday, Brother Vincent Cleary from Manhattan College in Bronx, New York, will be at the High School.

Tuesday, Oct. 7, Mr. David Walke, Director of Admissions of Boston University, will be at AHS to acquaint interested students with this University.

On Saturday, Oct. 4, the Agawam Brownies, headed by Coach Kibbe, will play Greenfield High at Greenfield. The Agawam High School Band will be on hand at the game Saturday to help cheer the Brownies hopefully to victory. Let's support our boys and help them win. Good luck!!

Our guest, Margaret M. Murphy will be at the Oct. 21 meeting. Decorations and food will be under the supervision of Katy Dickinson, Vennetta Snyder, Anna D. Bissonnette, Anna Hayes, Elsie Appleman, Emily Dias and Fran Link.

V.A. HOSPITAL

Any organization wishing to help or sponsor an affair at Leeds may do so by contacting Mr. Tully of Volunteer Service. Come up and meet Mr. Vincent E. Busone, Chief of Personnel Division and Mrs. Andrienne Terizzi, speech pathologist, who recently joined the staff at the hospital. Visiting hours are from 2 p.m. to 8 p.m. daily. If, for some reason it would be more convenient to come to the hospital at another time to see a patient, arrangements may be made by contacting the staff physician. Children must be at least 15. New parking area just completed at the rear of the chapel.

Keep your eyes on this column for the start of the Candy Sale, Katy Dickinson, chairman.

REMINDER — Any person wishing to be a Vietnam Gift Pac donor may send their \$6.00 check or money order direct to the Department office. Make checks payable and mail to: Dept. of Mass.

Don't forget the Columbus Day Celebration on Monday, Oct. 13th. Remember I asked you to clip out the column with dates?

Elsa H. Emmons, Dept. Pres. gives us the thought for to-day: To give real service you must add something which can be bought or measured with MONEY and that is SINCERITY and INTEGRITY.

Our National President, Erlene Mayberry was present at the Fall Conference at the Driftwood Motor Lodge, Shrewsbury. Betty Curran represented our Auxiliary on Sept. 28th, A.D.B.

TASTY TIPS

A warm blueberry pudding with a crumbly topping, capped with a frosty scoop of ice cream.

Blueberry Pudding

1 1/4 cups unsifted regular flour
1 1/4 teaspoons baking powder
1/2 teaspoon salt
1/4 cup butter
3/4 cup sugar
1 teaspoon vanilla
1 large egg
1/2 cup milk
1-pint basket large cultivated blueberries
Topping ingredients: 1/4 cup each soft butter, sugar, and unsifted regular flour
On wax paper thoroughly stir together flour, baking powder, and salt. In medium mixing bowl cream butter, sugar, and vanilla; beat in egg. Add flour mixture and milk; beat until barely smooth. Turn into a two-quart square glass cake dish (8 by 8 by 2 inches).

Without washing beater, beat together the topping ingredients. Sprinkle blueberries over batter in cake dish. With a teaspoon and spatula drop blobs of topping mixture in four or five rows over blueberries. Bake in a preheated 350-degree F. oven until cake tester inserted in center comes out free of batter—50 to 60 minutes. Serve warm "as is" or with whipped cream or vanilla ice cream. Makes eight servings.

Cottage cheese is a perishable food that should be kept covered, refrigerated and used while fresh.

New Junior High Color Guard With High School Band

The Junior Color Guard is a new addition to the High School marching band and consists of 16 girls with orange and brown flags. In the past, nine junior girls were selected each fall to serve as substitutes to the Senior Color Guard. This year the junior girls will be a part of all the band's marching activities as well.

Faculty judges selected the following juniors for color guard this year: Kirsten Holve, Valerie Bryan, Susan Brown, Patty McCormack, Patricia O'Rourke, Jeannie Wiley, Donna Quinn, Sharon Suffriti, Marie Beshaw, Nancy Carpenter, MaryAnn Klimaj, Cindy Fern and Nancy Andrews.

Majorette Captain Susan Affleck, along with majorettes Phyllis Swift and Donna Morassi will move into the operation of the new Junior Guard and assist in its training.

Also selected as junior guard alternates were: Cheryl Hale, Laurie Patton, Donna Labun and Robin Rennell.

The junior guard flags were made by Mrs. Darcy Davis with poles obtained and fashioned by Mr. Charles Heyl, from the school's industrial arts department. Mr. Louis Bale, also of the faculty has helped in the fashioning of a plume case for the newest addition to the band's uniforms.
